

Standing on the Side of Love

Donation Information

Talking Points:

Why is it important to make a donation to Standing on the Side of Love right now?

- You want to stop oppression now!
- You want to share our Unitarian Universalist values such as respect, inclusion, and compassion with the world.
- You want to bring local, professional, community organizers to your area to help your congregation enhance your social justice and public witness efforts.
- You want help to broadcast your success within your community and across the nation.
- Without your immediate and continued financial contributions, we will not be able to sustain or support this growing movement and will be forced to end the Standing on the Side of Love campaign in June 2010.

Other info:

- We recommend that you publish the online donation link in your newsletter:
